

Vision statement

Our vision at Willow Nursery School is:

For the children....

- To be welcomed into the school community
- To be valued as an individual
- To be offered the opportunity to participate in a variety of experiences that will enhance their skills and knowledge
- To be encouraged to be independent in their thinking and learning
- To learn through play and through first-hand experience
- To have access to a meaningful, focused, enjoyable curriculum
- To develop a sense of kindness and respectfulness
- To develop the qualities of confidence, enthusiasm and tolerance and perseverance
- To become prepared for the next stage of their education

For the parents/carers.....

- To be provided with a welcoming environment
- To be valued as individuals
- To have a positive experience of their children's first steps into the educational system
- To work in partnership with the school staff in a spirit of mutual respect, honesty and openness
- To be informed about the curriculum and experiences that are available in the Nursery
- To be aware of and share in the values of the school community

Our school welcomes all children as unique individuals who have a right to learn in an environment that is free from prejudice and discrimination. The school will take any reasonable steps and make any reasonable adjustments to prevent disabled pupils being placed at a substantial disadvantage compared with their non-disabled peers. Discrimination will not take place with regard to admissions, educational provision or associated services. We also aim to ensure that parents and carers with a disability are involved in their child's education. We will make any reasonable adjustments to enable a parent/carer to support their child's education e.g. letters in Braille or large font, providing a signer, wheelchair access
